### Description

#### Abstract

Historic Districts as established by city ordinance. Ordinance information is contained in the feature attributes.

#### Purpose

These district boundaries identify properties that have historically significant designation, entitling them to special tax credits. Additionally these properties are subject to additional design review for any work requiring a permit from the city and county of Denver.

#### Supplemental Information

Topology is built to prevent Landmark District polygons from overlapping, each district is unique. Added field for Period of Significance per ordinance.
