

Denver, Colorado State House Districts

Title	State House Districts
Creator	City and County of Denver, Denver Elections Division
Date	20170105
Description	This layer contains information on where the house districts in Colorado are, the names of the representatives that serve each district, and the party affiliation of each representative. The original shapefile is a product of the 2011 Colorado State Reapportionment Commission. DenverGIS later modified this file to match to Denver Streets and Boundaries. Schema changes were enacted to remove unnecessary fields.
